

EUROPEAN UNION

ATCZ175 InterOP

1st workshop on Interoperability of heterogenous RF systems

When:

28.3.2019

Where:

SIX Research Centre, Brno University of Technology

6th floor, Technická 12, Brno, CZ

Program:

10:30 – 11:15 “**Simulation techniques for RF circuits and devices**” by FH-Prof. Dr.-Ing. habil. Hans Georg Brachtendorf, Upper Austria University of Applied Sciences

11:15 – 12:00 “**RFID localization**” by Assoc.Prof. Dipl.-Ing. Dr.techn. Holger Arthaber, TU Wien

12:00 – 13:00 Lunch break

13:00 – 14:00 Public part of the project meeting. Interference issues in applications.

Registration:

www.interreg-interop.eu/news/

The workshop is free of charge.
